Opening the door to greater educational opportunities since 1963

2018–19 Radnor ABC House

We absolutely love Justin, and are truly blessed to have such an awesome “bonus kid” come into our lives. We have done so many fun and memorable things together

this past year – picking pumpkins, shopping at the mall, going out to dinner, painting, seeing movies, etc. Our family’s experience with the ABC program to date has been incredibly meaningful and we are so grateful to be a part of the ABC experience. I am excited to see what the future has in store for Justin!!!

ZAIYA Ngubeni’21 is a summer camp counselor for a STEM camp at Georgia Tech

“ We were a host family to Mariah from Sept. ’13 to June ’17. She was a great addition to our three RHS kids. We enjoyed spending time with her two Sundays a month. We threw her into our Sunday routine of homework, raking leaves, watching Eagles games and grocery shopping... followed by fun family dinners. We formed a bond with Mariah that has continued beyond graduation. We still keep in touch and see her as often as her college schedule allows. We are very grateful we became a Radnor ABC host family and gained a fourth child. It’s been wonderful watching Mariah grow and mature into a lovely young woman. ”

CONGRATULATIONS! to our graduating Scholar...

JADE Winn-McNeil

Hometown: Upper Darby, PA

Awards: Awarded a Cresson Scholarship from RTSD on Senior Recognition Night. The Cresson Scholarship was the first scholarship established for the school and was endowed by Miss Sara Lloyd of Philadelphia in 1916 in memory of her mother. Criteria for the scholarship include citizenship, academic achievement, character and activities.

College: Drexel University, Music Industry Program

Radnor ABC ALUMNI SPEAKER SERIES

JEFFREY De La Cruz

Jeffrey graduated from Radnor High School as part of the A Better Chance program in 2002 and from Syracuse University’s Martin J. Whitman School of Management in 2007. He has been in management for over 10 years working for Sears Holding Corporation and CVS Health.

GABRIELLA Fontan Venson

Gabriella graduated from Radnor High School as part of the A Better Chance program in 2007 and from Temple University in 2011. She then went on to pursue her master’s degree in Public Administration in 2015 followed by her Doctor of Law this past spring from Loyola University Chicago’s School of Law. She has worked as a case manager for Turning Point for Children, the largest provider of foster care services in Philadelphia, and more recently, as a law clerk in the Cook County State Attorney’s Office. In April, she took three Radnor ABC juniors to visit Temple University.

The Radnor ABC Alumni Speakers Series is a forum to connect alumni and current scholars. It also provides an opportunity for alumni to share their experiences at Radnor, college and life beyond and to answer questions from current scholars.

“ We have really enjoyed our first year as an ABC host family. Getting to know Keyara has been a treat. We enjoy our Sunday afternoons and dinners and have big plans to show her more of Philadelphia in the upcoming year. We encourage incoming freshman families to consider being part of this program as it doesn’t take a lot of your time and it forces you to slow down one day each month and focus on what matters most - family time and friendship. ”

a letter from the PRESIDENT

Although the school year has ended and things are quiet around Radnor, life hasn't slowed down for the board and staff of the Radnor ABC program. Before I tell you about our plans for next year, I'd like to highlight some of the program's accomplishments from 2018-19. Eight out of ten (80%) of our scholars finished the year with academic honors--six scholars received Distinguished Honors recognition, two scholars received Honors recognition and one scholar received straight A's for the entire year. Our three freshmen were very impressive this year with one being invited to compete in a Spanish speaking competition at the Haverford School and two discovering that they are budding thespians as a result of the theater class they took. Our sophomores and juniors worked hard this year and excelled in extracurricular activities and sports as well as academics. And we are excited for our senior, Jade Winn-McNeil, who will be attending Drexel University in the fall. We will miss her smile, spirit and presence in our program but look forward to seeing what great things she does in the future!

While undertaking the annual summer tasks of facility repairs and updates, restocking the kitchen, household and school supplies, securing 4-year commitments for a Host Family and Academic Mentor for our incoming freshman, as well as countless other things, the board is also working to take on the bigger tasks of developing sustainable practices and enhanced communication.

Most importantly, we want to be sure each of you knows that without YOU, none of this would be possible. This program exists because all of us--Radnor Township School District, Radnor High School, the Radnor ABC community, our volunteer staff, the ABC scholars, their parents and the Radnor ABC Board of Directors--work together to give our scholars a better chance. And we want YOU to know that we recognize and appreciate all of your support.

Finally, as we move forward, I'd like to express the board's gratitude to Christine Kingsbery and Missy Deck for their tireless work and dedication as co-presidents of the board for 2017-18 and Missy Deck for her generous support and efforts as 2018-19 board president. I'd also like to introduce you to the 2019-20 officers:

President	Candyce Wilson
Vice President	Heather Sheehan
Secretary	Laura Janson
Treasurer	Vince Boyd

Have a wonderful and safe summer and don't forget to check our [Facebook page](#) and [website](#) often for Radnor ABC happenings and ways to continue to support our scholars.
